

# For the Mediterranean Governance to work in the interest of sustainability, and tourism quality in our coasts

2,9 M €

Project budget

2,5 M €

ERDF / IPA

33 months

Project duration

**BEST MED (Beyond European Sustainable Tourism Med Path) contributes to enhance Mediterranean Governance in the field of sustainable tourism. Its main challenges are to fight against seasonality and the lack of effective cooperation among tourism actors in the Med area, including the citizen active participation on the policies design.**
